

# MP30 Fused Test Leads

## **MP30 : 1003**

Lead Set (One Red and one Black) each fitted with straight Probes (see MP21 : 1013 below) : One metre double silicon insulated cable white inner and high tear strength outer red or black : fitted with retractable shroud 4mm plugs (see MP21 : 1050 below)

## **MP30 : 1007**

Lead Set (One Red and one Black) each fitted with straight Probes (see MP21 : 1013 below) : One metre double silicon insulated cable white inner and high tear strength outer red or black : fitted with retractable shroud 4mm plugs (see MP21 : 1050 below) plus one small croc clip (see MP21 : 1011 below) and one angled probe (see MP21 : 1014 below)

## **MP30 : 1008**

Lead Set (One Red and one Black) each fitted with straight Probes (see MP21 : 1013 below) : One metre silicon double insulated cable white inner and high tear strength outer red or black : fitted with fixed shroud 4mm plugs (see MP21 : 1052 below)

## **MP30 : 1018**

Lead Set (One Red and one Black) each fitted with straight Probes (see MP21 : 1013 below) : One metre silicon double insulated cable white inner and high tear strength outer red or black : fitted with fixed shroud 4mm plugs (see MP21 : 1052 below) ) plus one small croc clip (see MP21 : 1011 below) and one angled probe (see MP21 : 1014 below)

## **MP30 : 1013**

Straight Probe 62mm x 4mm tip diameter 2.5mm for 14mm . Hard insulation to less than 2mm from tip.  
Colours : Red and Black

## **MP30 : 1050**

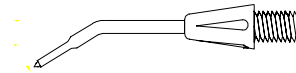

Retractable shroud 4mm plug for universal use.  
Colours : Red and Black

## **MP30 : 1025**

All insulated spring loaded Test Hook with flexible shaft.  
Overall length is 170mm and flexible part is 90mm long. Max grip is 4mm diameter  
Max Volts 1000 : Max 3 Amps  
Colours : Red and Black

**MP30 : 1014**

Angled probe as MP21: 1013 but with tip offset 30 degrees  
Colours : Red and Black

**MP30 : 1052**

Fixed shroud 4mm plug . Shroud is less than 8mm on outside diameter and will fit most modern instruments  
Colours : Red and Black

**MP30 : 1010**

All insulated croc clip c/w finger guard. Overall length excluding thread 75mm maximum opening 10mm.  
Fine grip at tip. Colours : Red and Black

**MP30 : 1090**

**Fuses**

Fast Acting HRC 500mA 30kA 1000V  
Supplied in pack of 5 (five)
